

### **American Speech-Language-Hearing Foundation ([www.ashfoundation.org](http://www.ashfoundation.org))**

- The *Rolland J. Van Hattum Award* is made to one individual in recognition of exemplary commitment and contribution to the delivery of audiology and/or speech-language pathology services within a school setting. A nominee for the Rolland J. Van Hattum Award should demonstrate outstanding commitment and specific contribution to the delivery of audiology and/or speech-language pathology services in a school setting.
- The *Louis M. DiCarlo Award for Recent Clinical Achievement* recognizes an individual's significant accomplishments in the advancement of clinical service in speech-language pathology and/or audiology. The criteria include providing a description of a specific clinical achievement by the nominee within the last 6 years.
- The *Frank R. Kleffner Lifetime Clinical Career Award* honors an individual's exemplary contributions to clinical science and practice over a period of no less than 20 years. Areas of achievement may be in administration, research, teaching, or supervision.

### **Nebraska Speech-Language-Hearing Association ([www.nslha.org](http://www.nslha.org))**

- *Honors of the Association* are given to an individual who has been active in NSLHA and/or volunteered for the association. The individual may be an audiologist or speech-language pathologist in the clinical or school setting.
- The *Recognition of Service Award* is given to an individual in recognition of exemplary commitment and contribution to the field, with an emphasis on specific contributions within the last 6 years. Areas of achievement may be in audiology or speech-language pathology and may be in either the school or clinical setting.
- The *Meritorious Service Award* is given to a person or organization that supports people with communication disorders. These individuals are from outside the fields of audiology and speech-language pathology.
